

Chiamaka Ensui

Houston, Texas 77025 • chiamakaenusi@ttu.edu • (842)-568-8621

EDUCATION

Texas Tech University, Lubbock, Texas

Texas Tech Honors College

Bachelor of Science in Computer Science

Graduation year: May 2025

GPA: 3.63/4.0

Relevant Coursework

Programming principles in C • Data Structures • Assembly Language programming • Object Oriented Programming (Fall 2023) • Design and Analysis of Algorithms (Fall 2023)

EXPERIENCE

CORNELL UNIVERSITY SUMMER RESEARCH WORKSHOP, Ithaca, New York

Research Assistant

July 2023

- Engineered the hardware of a robot and implemented object recognition, path modifications and optimization using python, ROS (Robot Operating System), and Linux operating system.
- Awarded 1st runner up for integrating efficient robotics systems and solving motion planning problems with the robotic cane.
- Collaborated with peers and faculty mentors from the Department of Computer Science to design, program and simulate a robotic assistive cane for the visually impaired community.

APPLE INC., Cupertino, California

Apple At-Home Advisor - Remote

July 2023

- Provided guidance to Apple customers for the installation, maintenance, and troubleshooting of Apple hardware and Software.
- Effectively addressed and resolved customer complaints and concerns through proficient verbal communication skills.
- Consistently improved daily customer satisfaction for 15+ clients through comprehensive hardware issue assessments and detailed resolutions.

PROJECTS

- **Library Catalog**: Developed an interactive digital interface using python for a high school library, resulting in a 35% increase in efficiency for users searching and locating their desired books.
- **Prototype Menu**: Created a Python-based digital menu for an upcoming restaurant, catering to a clientele of 30 customers.
- **College-prep Website**: Designed web application using HTML to offer high school and college students essay proofreading and redrafting services.

INVOLVEMENT

National Society of Black Engineers

Secretary

May 2023 - Present

- Heads the Texas Tech Collegiate Communication's zone of the organization and delegates tasks to 10+ executive board members.
- Publicized and scheduled subsequent organization events to increase revenue by 20% annually.

National Society of Black Engineers

Regional Leadership Conference Chair

May 2023 - Present

- Organized a leadership conference for over 80 participants, focusing on the development and enhancement of effective leadership skills.
- Recruited and assembled a committee of volunteers to assist with the planning and execution of the conference.

SKILLS AND AWARDS

- Technical Skills
 - Python, C, HTML, Verilog, Assembly Language, Microsoft Office Suite, Adobe Creative Cloud
- Honors and Awards
 - Presidential Scholar (2021-present), Dean's list (2022-present), President's honor list (2021)
